Sprint Review Meeting Minutes

Attendees: Emre, Juan, David, Carlos, Henry
Start time: 9:27 pm
End time: 10:19 pm

After a show and tell presentation, the implementation of the following user stories was accepted by the product owners:

- User Story 1: Clear Button (Emre, Juan) (10 Points)
    - As a homeowner, I want a clear button on input fields, so that I can quickly erase anything I typed by mistake.

- User Story 2: Loading Spinner (Carlos, Henry, David) (15 Points)
    - As a homeowner, I want to see a loading spinner while the page is loading, so I know the system is working and not frozen.

Story Points:

- Emre (5)
- Juan (5)
- David (5)
- Carlos (5)
- Henry (5)

The following ones were rejected and moved back to the product backlog to be assigned to a future sprint at a future Spring Planning meeting.

- User Story: Dashboard Notifications
    - As a homeowner, I want to receive pop-up notifications on my dashboard, so I can be immediately informed about new updates or alerts.

- User Story: Profile Picture Upload
    - As a homeowner, I want to upload and update my profile picture, so my account feels more personalized.
